ABOUT the Material Aid and Advocacy Program (MAAP)
The mission of the Material Aid and Advocacy Program (MAAP) is to support and empower community members experiencing homelessness or living in poverty, through material aid, access to resources, and advocacy opportunities. Working with homeless community members and allies, we seek systemic solutions that address the root causes of homelessness, poverty, and inequality. Each year we work with over 2000 community members with a budget of under $100,000.
